The Purposes of the Foundation

The National Football Foundation and College Hall of Fame is a nation-wide organization whose purposes are:

- ♦ to promote American amateur football as an integral and wholesome part of our educational processes;
- ♦ to encourage the beneficial direction and playing of the game at schools and colleges throughout the country;
- ♦ to provide the proper incentives and ideals for American youth and set standards of sportsmanship for the individual player.

The Foundation seeks to establish the true concept of the game as an amateur sport and to gain recognition of the important role it plays in the preservation and advancement of our way of life. It endeavors to achieve these goals:

- ♦ by disseminating substantive information through its own publications and the other printed media and voices that reach the public;
- ♦ by honoring by election to the Hall of Fame those players and coaches whose deeds and lives during and after their playing days have been exemplary and inspiring;
- ♦ by honoring through various types of awards the outstanding scholar-athletes in high schools and colleges;
- ♦ by rendering many practical and valuable services to colleges, schools, institutions, organizations and individuals connected with football.
